I just talked with Ahmed Mazin apt 101.

She said she's going to send August and September. I told her to write the months on her check for her records. I also reminded her that she owes \$2005. She went on on how she wasn't informed about changes that happen at Gold Crest patio homes.

I told her we are working on having better communication with all homeowners. I told her what about if we waive the late fees will she start paying what she owes. She responded Yes after she checks her bank statements.

Mr. Solomon and Mr. Jerry I think we should waive the late fees for this time only so we can get the money.
