Dear Dan Gardner,

I am Arleen Jouxson, the Petitioner in the above case.

I would like to file a response to Respondent's Motion to Dismiss the Petition I received yesterday from Respondent's legal counsel, Diana Elston. Is there a procedural rule governing filing such a response, and how long do I have to file it?

Thank you,
Arleen Jouxson

Arleen Jouxson,

The HOA Dispute Process does not provide a process for a response to the Respondent's response. That is the purpose of the hearing. You have made the Respondent has responded. The matter is currently under review by ADRE and if determined justified will be referred to the Office of Administrative evidentiary hearing will be scheduled. You may, after referral, provide any response you wish to make to the Administrative Law Judge that will be assigned.
