Inspection Comments

Final Construction inspection not approved for Red Lion Inn & Suites – Pool Resurface/Drain Covers. Please correct the following: 1) Pentair TR-100 filter is installed on the re-circulation system instead of the approved Pentair TR-60 filter listed on the remodel permit. Submit revised application with corresponding documentation for engineering review and approval. Report and Notice of Inspection Rights sent to email on file.

Example Site: Our pool never listed a “Final Construction” Inspection, as shown on inspection dates.
