chairs - I am  
certain of it

Well Michele  
has her camera  
illegally point-  
ing at the pool  
filming people  
I am surprised  
she hasnt seen  
anyone doing  
the vandalism

What! I have  
never heard  
them say that.

Or a victims  
mind that  
thinks like that.

I believe you!  
Just disre-  
spectful that's  
all. We really  
should invest  
in small trail  
cams that can  
be hidden in  
the trees and  
on top of  
weight room.  
It'll be an ex-

It'll be an expensive summer again if we don't.

We cant do that legally. No camera is suppose to be pointing at common areas such as pools...

such as pools...  
that could be  
grounds for  
child exploita-  
tion

Especially  
wince they are  
under 18

These chairs  
can not be de-  
stroyed except
