Our records indicate that your most recent annual report is past due. As a result, your entity status has been changed to **pending inactive**.

You must file a past due annual report form to return your corporation to good standing. You can file your annual report online at ecorp.azcc.gov. If you file your annual report online, it will be approved upon payment of all filing and late penalty fees.

Forms can also be downloaded from our website at ecorp.azcc.gov. If you submit your annual report by paper, you must complete the entire form and then mail the report to the Arizona Corporation Commission along with a check for the filing fee and late penalties that are due. Late penalties are $9.00 per month; they begin the day after your report was due and continue to accrue. *Monthly late penalties do not apply to non-profit corporations.*

Failure to resolve this delinquency could result in the administrative dissolution of your entity pursuant to Arizona Revised Statutes §10-1420.
