Our records indicate that your most recent annual report is past due. As a result, your entity status has been changed to **pending inactive**.

You must file a past due annual report form to return your corporation to good standing. You can file your annual report online at [ecorp.azcc.gov](http://ecorp.azcc.gov). If you file your annual report online, it will be approved upon payment of all filing and late penalty fees.

Forms can also be downloaded from our website at [ecorp.azcc.gov](http://ecorp.azcc.gov). If you submit your annual report by paper, you must complete the entire form and then mail the report to the Arizona Corporation Commission along with a check for the filing fee and late penalties that are due. Late penalties are \$9.00 per month; they begin the day after your report was due and continue to accrue. Monthly late penalties do not apply to non-profit corporations.

Failure to resolve this delinquency could result in the administrative dissolution of your entity pursuant to Arizona Revised Statutes §10-1420.
