The Association may indemnify a Board-appointed committee member under the same circumstances under which a director of the Association may or shall be indemnified under Arizona law.

No amendment or repeal of the provisions of this Article that adversely affects the right of an indemnified person under this Article shall apply to such person with respect to those actions

or omissions that occurred at any time prior to such amendment or repeal, unless such amendment or repeal was voted by or was made with the written consent of such indemnified person.

The Association shall have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer or Board-appointed committee member of the Association, or was serving at the request of the Association as a director or officer, against any liability or expense asserted against or incurred by such person in any such capacity or arising out of such person's status as such whether or not the Association would have had the power to indemnify such person against such liability or expense under this Article.

## **ARTICLE XII** **Limitation of Liability**

To the fullest extent permitted by Arizona law, as the same exists or may hereafter be amended, a director of the Association shall not be liable to the Association or its Members for monetary damages for any action taken or any failure to take any action as a director.

No amendment or repeal of the provisions of this Article that adversely affects the right of a director of the Association under this Article shall apply to such person with respect to those actions or omissions that occurred at any time prior to such amendment or repeal, unless such amendment or repeal was voted by or was made with the written consent of such person.

The provisions of this Article shall not be deemed to limit or preclude indemnification of a director by the Association for any liability of a director which has not been eliminated by the provisions of this Article.

## **ARTICLE XIII** **Dispute Resolution**

The Association and its Members are subject to the dispute resolution sections of the Declaration. The procedures prescribed in the Declaration are in addition to and shall not be construed to conflict with any requirements under the laws of the State of Arizona.

## **ARTICLE XIV** **Amendments**

In addition to specific rights to amend or approve amendments granted elsewhere in the Declaration, until termination of the Declarant Control Period, Declarant may amend these Articles of Incorporation for any purpose, and without the consent or approval of any Owners or Members, or any other Person. After termination of the Declarant Control Period, Declarant may of its own volition, and without the consent or approval of any Owners or Members, or any other Person, amend these Articles for the following purposes: (a) to bring any provision hereof into compliance with applicable laws; (b) to enable any reputable title insurance company to issue title insurance coverage on the Lots; (c) to satisfy the requirements of any governmental agency; (d) to enable any governmental agency or reputable private insurance company to guarantee or insure Mortgage loans on the Lots; or (e) to correct any error or ambiguity or to further the intent or purposes hereof by expanding upon the existing provisions hereof. Any amendment during such time as Declarant is a Class B Member or a Class A Member of the Association shall require the written approval of

the Declarant. Further, so long as Declarant owns any land from within the Property, Declarant may, without any other consent or approval, amend these Articles to clarify the application of the provisions hereof to any land which may be annexed, or for any other reasonable purpose in connection with any land which may be annexed.

Subject to the provisions of the Declaration requiring Declarant's consent to an amendment, these Articles may be amended only by the affirmative vote or written consent, or any combination thereof, of 67% of the Class A Member votes, and consented to in writing by Declarant, if such amendment is to be effective prior to the expiration of the Declarant Control Period.
