Pursuant to A.O.s [2020-02](#) and [2020-03](#), the court expects briefs to be filed timely and will only grant motions for extension of time for good cause. Absent an order granting an extension of time, briefs will be deemed untimely if they are not filed by the due date.

If you plan to request an extension of time, please review the Court's [policy](#) prior to submitting your request. Motions requesting extensions should be filed well in advance of the due date so they can be processed prior to the due date. The court will not provide short-term extensions solely to consider a motion for extension of time.
