Answer/Cross-Appeal Opening Brief, and request that the deadline be extended by thirty (30) days.

This extension is requested because of an unusual heavy workload of undersigned counsel with a multitude of motion, disclosure and discovery deadlines in other cases in and around the current Answering Brief and Opening Brief on Cross-Appeal filing deadline of October 8, 2019.

Undersigned counsel has contacted opposing counsel and he does not object to the requested thirty (30) day extension.

RESPECTFULLY SUBMITTED September 18, 2019.
