No reply has been received that identifies itself as replying to Mr. Edwards' initial pleading. Good cause not appearing,

IT IS ORDERED, denying the motion for Mr. Edwards' failure to comply with Rule 7.1(a), Rules of Civil Procedure. Further, it appears Mr. Edwards requests an order from the Court compelling the attendance of individuals at deposition, but that he has failed to take the predicate actions required before such an order may be granted under the Rules of Civil Procedure.
