The Arizona Constitution requires the Arizona Commission on Judicial Performance Review to conduct performance evaluations of superior court judges. The Commission is asking for your help to evaluate Maricopa County Superior Court judges currently undergoing performance review. After your hearing, if the judge you are in front of is undergoing review, a survey will either be given to you by court staff or will be emailed to you and you can take the survey online. The survey is conducted by the Docking Institute of Public Affairs at Fort Hays State University and is anonymous and confidential. Your participation in the review process is important!
