v.

GARDENS GILBERT COMMUNITY  
ASSOCIATION, et al.

AUGUSTUS H SHAW IV

JUDGE COFFEY

MINUTE ENTRY

The Court has reviewed Plaintiff's Supplemental Motion for Designation of Additional Records; Defendants' Response to that Motion, which was expressly authorized by the Court in an Order dated February 24, 2025; and Plaintiff's Motion to Deny Plaintiff's February 25, 2025 Filing, which the Court is treating as a reply in support of Plaintiff's Motion.

Plaintiff wants to add documents to the appellate record that are not already part of that record, but the documents she wants to add pertain to issues that are not the subject of the appeal. She did not identify any documents she believes to be missing that were part of the record when she filed her appeal on December 17, 2024. The only documents she identified were for filings that were filed after her appeal, which cannot possibly be the subject of her appeal since the appeal pre-dated those filings. To the extent that the Court of Appeals believes it should consider those records, it may direct the Clerk of the Court to supplement the record, but the Court believes that the Clerk of the Court appropriately designated the index of the record for appeal. Additionally, if Plaintiff wanted transcripts of hearings to be included, it was her responsibility under Rule 11 of the Arizona Rules of Civil Appellate Procedure to order copies of

the recordings of hearings and to arrange to have them transcribed. She appears to have missed the deadline for doing so, but the Court of Appeals will have to decide that issue. Accordingly,

**IT IS ORDERED** denying Plaintiff's Supplemental Motion for Designation of Additional Records.
