v.

GARDENS GILBERT COMMUNITY
ASSOCIATION, et al.

AUGUSTUS H SHAW IV

JUDGE MCDOWELL

MINUTE ENTRY

The Court is in receipt of Ms. Rodriguez's August 25, 2025 *Plaintiff's Motion Objecting to Defendants' Request for Sanctions*. The most recent motion filed by Defendants seeking sanctions was filed in June 2025 and was ruled upon in July after the time for filing a response has elapsed. If this *Motion* is intended to respond to that filing, it is untimely.

If this *Motion* is a response to relief requested in the Motion to Consolidate filed August 21, 2025 it is improper because a party is not permitted to split his/her response into two filings and Ms. Rodriguez already filed a response to the Motion to Consolidate. If this *Motion* is a response to Defendants' reply in support of its motion to consolidate, it is similarly improper. A party is not permitted to file a response to a reply unless the Court grants permission to do so.

IT IS ORDERED rejecting *Plaintiff's Motion Objecting to Defendants' Request for Sanctions*.
